

How Do the Courts Work?

This program provides a general understanding of what the judicial branch is meant to do, how both the federal and state court systems work, and some idea of how a court proceeding would work for both a civil and criminal process.

Suggested Time: 45 minutes

Topics Covered:

- Three Branches of Government
- Dual Courts
- Federal Courts
- State Courts
- How Do the Courts Work?
- What Happens when a Lawsuit is Filed?
