

Voting and Election Law

This presentation provides an overview of the voting process in Ohio, from why it matters, through registration, absentee ballots, and covers basic information about election integrity. Some of the barriers to voting are lack of information about how to register, where to vote, and feeling overwhelmed by the issues without explanation. This presentation is meant to provide background that might help answer some of the questions and improve voter turnout.

Suggested Time: 45 mins.

Topics Covered:

- Why Should People Vote?
- When Do Elections Happen?
