Cancellations received by noon the business day prior to the seminar will be refunded in full minus a \$25 processing fee.

PROGRAM

Learn the use of Digital Evidence and how Digital Forensics is used from an investigative standpoint. This presentation includes case studies of relevant matter types geared specifically to the interest of the audience, information on what Digital Forensics is and what it is not, what information a participant needs to know about the accepted Digital Forensic methodology to ensure evidence authenticity, admissibility and accurate results that will withstand cross-examination. Includes case studies.

PRESENTER

Greg Kelley, BS, EnCE, DFCP, Vestige Digital Investigations
As a founder of Vestige, Greg has been involved in the digital forensics field since 2000. He is responsible for the creation of Vestige's infrastructure and continues to oversee the process of standardizing and streamlining Vestige's forensic analysis to provide consistent high-quality results in a timely basis. Greg leads Vestige's Digital Forensic and E-Discovery services.
