PROGRAM

This presentation will provide a foundational review of the most prevalent regulations and legal issues in the United States healthcare industry. Attendees will learn the basics of (not exhaustive): HIPAA, Anti-Kickback Statute, Stark Law, Ohio Peer Review Privilege, Ohio Physician-Patient Privilege, 340B, and contracting issues from a local health system's Chief Privacy & Compliance Officer and Assistant General Counsel.

PRESENTERS

Aimee Cordrey, Esq., is the Chief Privacy & Compliance Officer at UC Health in Cincinnati, Ohio. In this role, she oversees the health system's compliance with federal and state laws and regulations relevant to the healthcare industry. Her areas of oversight include: HIPAA compliance (including data security and regulatory reporting), managing the system's compliance reporting hotline, exclusion checking and monitoring, and implementing the system's compliance planning and strategy.

Daniel Elmlinger, Esq., is Assistant General Counsel & Head of Contracting at UC Health in Cincinnati, Ohio. In this role, he provides legal advice to the organization and its leaders while also leading the system's contracting strategy and operations. Daniel advises primarily on supply chain management, digital services, and equipment/product procurement. He also manages his department's student law clerk program.
